

NOTE: On this website, the words "supervisor" and "supervision" are used expressly for the purpose of training in the EFT model, and do not imply / constitute any ethical / legal responsibility for cases discussed. For all intents and purposes, a Certified EFT Supervisor is an EFT consultant. All therapists receiving such supervision / consultation are wholly responsible for the therapy they provide and they are also responsible for receiving appropriate supervision, as required, by their respective governing and/or licensing authorities.
